1.Make teaching a two-way interaction: Try to reach every student and ask for their doubts.

2.

Encourage students to work together: Ask students to share information about each other's backgrounds and academic interests. Create study groups within your course.

3.Set objectives: Clearly define what students can know and do by the end of the lesson. These objectives are like a roadmap, guiding both teachers and students throughout the journey.

Verry nice teaching learning methods in our college so that I personally thing that doesn't give any advice .

Improve your methods.

Even though we are working on a regular basis, we are also recording our work studies, our question is yet to be solved, all kinds of activities are happening in our college.

Very good experience

नास्ता माटे डेन्टीन

Its good already

Q

शिक्षक बोलकर समझाने की अपेक्षा यदि शिक्षक सारी जानकारी बोर्ड पर दिखा दे तो हमें अधिक जानकारी होगी और ज्ञान होने पर हमें समझने में आसानी होगी।

Ha

Still good

In short, we don't even have a specialized faculty for our subject.
The one and only suggestion is : Need a professor.

This institute is very good for learning and teaching.

all students spotted always be all teachers

Everything is fine

Its good working teachers and very helpful

H

1) Use better graphics and visual media to engage students well. ... 2) Try to reach every student and ask for their doubts. ... 3) Make teaching a two way interaction

Provide good electronic devices for better study experience in the class

Nothing in particular.

We get all the required instructions and information on time.

The teachers are proactive and always concerned about the students.
