

Dharmendrasinhji Arts College, Rajkot
National Conference on *Inevitability of Transdisciplinarity*
Activity Report (August 30 & 31, 2019)

Dharmendrasinhji Arts College, Rajkot has been catering to and looking after the academic and research needs and interests of the faculty members as well as students. As a measure to accomplish this, a National Conference on **Inevitability of Transdisciplinarity** was organized on August 30th & 31st, 2019 under the auspices of the Institute in collaboration with Vedant Educational Services. Prof. Arunendrasinh Rathore, Principal of the institute, directed and formed an organizing committee of the faculty members under the leadership of Dr. Jignesh Upadhyay and Dr. Krishna Daiya along with Dr Arjun Dave, Founder, Vedant Educational Services who is an alumnus of the college. The committee worked vigorously and dedicatedly to the planning, scheduling and management of the entire conference. Students and all staff members were a huge support and were running around for the management of the campus and arrangement of food and other amenities.

Abstracts were called for and deadlines were given for the submission of abstracts and the entire paper. Abstracts were scrutinized and carefully selected for the conference.

Day 1 & 2 of the Conference were allotted for participants from the fields enlisted below:

- 1) **Day 1:** 30th August 2019 – Arts, Humanities and Social Sciences
- 2) **Day 2:** 31st August 2019 – Engineering, IT, Sciences, Education and Journalism

The conference was a huge success with more than 210 participants taking part and presenting their papers. There were more than 30 sessions headed by chairpersons who were highly experienced and had contributed something invaluable to their own fields. The conference had 2 keynote speakers, 2 plenary talks and each day had a panel discussion on the **New Education Policy 2020**. Here are some moments captured from the conference:
